Integrating Operations of LIXIL Group Corporation and LIXIL Corporation ahead of Merger

We are pleased to inform you that we have announced plans to merge LIXIL Group Corporation, our holding company, and LIXIL Corporation, a wholly owned subsidiary. This merger will enable us to better carry out our strategy, enhance overall management efficiency, and improve governance.

While the legal transaction is scheduled to be completed in December 1, 2020 and both entities will continue to remain separate entities until the merger has been completed, we will begin to prepare for the merger ahead of time by integrating the operations of LIXIL Group Corporation and LIXIL Corporation from April 1, 2020. This approach will ensure all necessary integration details required will be finalized smoothly to operate as a single company on the first day.

For more specific details on the merger, see LIXIL Group's Timely Disclosure [here](#).
